Chapter 1 by Story Wars

It all happened on one day with one impatient person. We didnt asked to be killed. We didnt mean to hurt anybody. We just wanted fun. Cake blinds us all..... Right?

You think you know us, but you dont know the beginning. You think youre job is all very easy. Well watch your back and turn on your flashlight, because this is JUST the start.

We come from the vents the ceiling and anything in between. You find us scary... but all we want is "love". Close your eyes children cause this will all be over soon. You see flashing lights and wierd shapes....

Watch out because Bonnie is near. Close the doors, check the footage but your too late cause Freddy is right behind you. You cant block us, so dont try...
